# THE UNITED NATIONS ASSOCIATION OF THE UNITED STATES OF AMERICA TAMPA BAY CHAPTER

## Our Mission

The United Nations Association of Tampa Bay (UNA-Tampa Bay) is a non-profit, membership organization that is part of the United Nations Association of the United States of America (UNA-USA).

The mission of the UNA-USA is to inform the American public of the principles and activities of the United Nations, to engage the public to support these principles, and to encourage the United States to take an active leadership role in the United Nations.

UNA-Tampa Bay pursues the mission of the UNA-USA in a regional scope by interacting with Tampa Bay Communities through education, empowerment, and advocacy.

## Education

A major component of our Chapter's outreach focuses on education initiatives that serve K-12 and University level students, as well as the general public.

Our major, annual programs include the Model United Nations, the Model Arab League, and a rotating series of conferences and lectures.

## Advocacy

Within our advocacy for the goals of the United Nations, UNA-Tampa Bay is a participant in the Cities for CEDAW initiative to support the United States ratification of the gender equality Convention passed by the General Assembly in 1979. Our Chapter has received resolutions from the St. Petersburg and Tampa City Councils and support from several NGOs.

### Global Goals Initiative

Beginning Fall 2015, UNA-Tampa Bay launched its Global Goals programming initiatives, pursuing education around the United Nations' newly released Global Goals for Sustainable Development. Public outreach, events, lectures focus on various topics from climate change, water quality, gender equality, and other social, environmental, and political issues.
